WHEREAS, pursuant to Chapter 163, Florida Statutes (the "Act"), a Finding of Necessity study must be prepared in order to initiate the redevelopment process for areas believed to be slum and blighted; and

WHEREAS, the Act confers all redevelopment powers upon counties with home rule charters and authorizes such counties to delegate the exercise of such powers within the boundaries of a municipality to the governing body of such municipality; and

WHEREAS, the Board of County Commissioners of Miami-Dade County, Florida (the "Board") desires to authorize the County Mayor or County Mayor's designee to select a consultant to prepare a Finding of Necessity study for the Orange Sports Complex Community Redevelopment Agency ("CRA") in accordance with the provisions of the Act; and

WHEREAS, the finding of Necessity study shall consider whether the CRA could be used to fund: (a) infrastructure, affordable housing, workforce housing, and economic development; and (b) the construction of a people mover leg from the Government Center to Little Havana/Stadium site. The Finding of Necessity study should provide for the CRA to sunset once the people mover project is fully funded and for Miami-Dade's contribution to the

CRA trust fund to be at 50 percent and all other taxing authority's contribution to be 50 percent;
and
